

Instruction

This is a 8-channel KNX universal interface module for building and home intelligent control systems. It provides dry contact input detection and supports multiple control functions, serving as a flexible input extension unit for the KNX bus.

8-Channel Universal Interface

Key Features

- 8-channel dry contact input for switch, dimming, shutter control function
- Scene recall and save function
- Fixed value sending function
- 8-channel LED status indication

Parameters

- Model Number: SH-KAWA-UIC801
- Power Supply: DC 21V-30V
- Dry Contact Input: 8 Inputs
- Bus Current: <12mA
- Bus Consumption: <360mW
- Connections: KNX
- Installation: Flush Mounting
- Flush Mounting Box: EU/UK/GB Standard
- Dimension: 46mm*46mm*11.7mm
- Weight: 0.1kg
- Working Temperature: -5°C to +45°C
- Storage Temperature: -25°C to +55°C
- Working Humidity: <93%RH (non-condensing)
