

## Instruction

Smart curtain switch product is suitable for electrical curtain control only, through the network, voice and APP remote control curtain operation, with various sensors to easily achieve home automation.

## Curtain Switch

## Key Features

- Voice Control
- Group Control
- APP Remote Control
- Dual Color Indicate LED
- Mechanical ON/OFF Switch
- Zero-crossing Protection

## Technical Parameters

- Input Power: 100~240 AC 50/60Hz
- Load: 400W
- Communication: Zigbee 3.0
- Control Channel: 1CH
- Standby Power: <1.5W
- Working Temperature: -10°C~+45°C
- Working Humidity: <90%
- Life Cycle: 50000 times
- Dimension: 86x86x37.5mm
